

School Year 2012-13

The School Year 2012-13 was the second year of implementation of the Programme. This year's implementation began on 1st November 2012 and lasted for six months, up until April 2013. During this period schools from Greece and other European countries created class pairs aiming at developing a collaborative product in the following languages: English (16 classes), French (11 classes), and German (6 classes).
